Good Study Habits

⇒ Good Attendance

One of the most important factors in academic success

⇒ Organization

Use your planner, fit homework into a routine, have a plan

⇒ Study Habits

Pick a quiet place to study and study at the same time every day, set goals for your studying, re read notes taken in class, study a few days before a test not the night before

⇒ Study Tables

Mon-Wed 3pm-4pm Core class teachers are available in the Library

⇒ Ask Teachers for Help

Teachers should be the first to know if you have questions or need help. Tutorial every Thursday 1:15pm-2:15pm

⇒ Seek Help

If you need additional assistance peer tutors are available... See Mr. Ortiz in Rm 324

Concurrent Enrollment

How does a free college class sound? Your student has access to take college classes both on and off East campus and have their tuition paid for!

What is Concurrent Enrollment (CE)?

The CE program at East HS allow a student to take college, career, and/or technical courses that earn both high school and college credit while you are still in high school.

Why is CE important to me?

- **You may take more challenging or specialized courses in topics of particular interest**
- **You may get a head start on accumulating college credits that will save you tuition costs later**
- **You may finish your college program or degree more quickly because you will already have some college credits**
- **Most core courses, Math, English, History, and Science, are guaranteed to transfer within public institutions in the state of Colorado.**

If you are interested in signing up for a CE class for Spring Semester 2018 or have additional questions, please contact Lindsey Vesceri at 720-423-8310 or Lindsey_Vesceri@dpsk12.org.
