Welcome Back Angels!

As counselors, we are committed to ensuring that all students, regardless of individual differences, acquire the educational, occupational and social competencies directed by the mission and philosophy of the Colorado Department of Education, Denver Public School District and of Denver East High School. Developmental by design, systematic in approach, and preventative in nature best describes the foundation of our counseling department mission. The ultimate objective is to facilitate the developmental process that strengthens each students' unique capabilities, responds to students' individual academic needs, fosters personal and social growth and promotes post-secondary pathways.

The information here is designed to help support students and par-

ents through the high school years and prepare students for college and career success. East counselors provide support to students and their families in three major areas:

- Personal/Social Development
- Academic Advisement
- Career/Post-Secondary Planning

The PSAT Revealed

If you are the parent, guardian, or counselor of a student (or a student yourself) who will be taking the PSAT this fall, you won't want to miss this webinar. Join us to learn all about the PSAT, including:

- The content and format of the test
- How PSAT scoring and National Merit Scholarship qualification work
- Why the PSAT matters, and how students can use it to set a path to higher scores
- Resources to help you get prepared for the PSAT and tests beyond

Can't make it live? Sign up anyway to receive a recording of the presentation!
