Meet our New Counselor Ms. Behmke!

Becky Behmke is taking over Mr. Doyle's caseload and will be working with grades 10-12 with last names P-Sj. She comes to us from Waukegan Public Schools where she worked as a middle school and then high school counselor for 12 years. For the last 6 years she worked at Waukegan High School, which is located about halfway between Milwaukee, Wisconsin, and Chicago, Illinois, right on beautiful Lake Michigan.

Ms. Behmke moved out to the Denver area to be closer to family, and she is loving the opportunities she has already had to spend with them. In fact, she's on a 3 game win streak in Monopoly, after a 40 year losing streak! She is very excited to be an East Angel and looks forward to getting to know her students and the rest of the East community.

Too many absences—excused or unexcused—can keep students from succeeding in school and in life. How many are too many? 10% of the school year—that's 18 missed days or 2 days a month—can knock students off track.
