

All **East Angels** need to know...

So...WHAT IS NAVIANCE?

Naviance is a college and career readiness program that helps connect academic achievement to post-secondary goals. Naviance provides a range of services for students and parents. Users can:

- Create 4-year course plans and see if the plan meets East graduation requirements.
- Complete career and interest surveys to help clarify future plans.
- Access a free ACT/SAT prep program called “Method Test Prep.”
- Research colleges and start a list of potential schools to explore more in depth.
- View and sign up for upcoming college admissions office visits.
- Search for and apply to scholarships.

The Counseling Office uses Naviance to submit application materials (transcripts, letters of recommendation, and test scores) to most colleges online.
