**The Student Assistance Fund staff will be checking student's attendance. Attendance is an indication of desire for success. The goal of the program is to provide resources for students to be academically successful at East High School. Success requires attendance.**

The Student Assistance Fund is a program funded and administered by the East Angel Alumni & Friends Foundation, a non-profit organization supporting educational excellence at East High School. It is administered by volunteers. Participants understand that this is not a DPS or East High School program. Participation in this program is by CHOICE! Students who qualify for federal support programs should contact the East High School Social Worker.
