

## **Parking Passes**

To purchase a parking pass for the current school year please bring the following to the Treasurer's Office:

- \$30.00 for the year
- Student's Driver's License
- Vehicle Registration
- Proof of Insurance

Due to limited parking, please note that 12<sup>th</sup> and 11<sup>th</sup> grade have priority on parking passes. The Treasurer has the right to refuse parking passes to students, parents and guardians based on the number sold. The Treasurer also reserves the right to deny passes to students without the proper paperwork.

Also, please note that area businesses work closely with East High School to monitor their parking lots. If a student is illegally parked in a private parking lot, the owner of that lot has the right to tow student vehicles.

If possible, please ride share to make room for students in the East High School Student lot.
