ETC's Fall production of Red Ink is here! Get your tickets at www.easttheatreco.org.

The RTD mobile app is now live!

Students who are eligible for DPS RTD tickets can now download the mobile ticketing app. Follow the instructions in [this flier](#) to get your monthly pass through the app now.

Eligibility Information: A student who resides more than 2.5 miles from his/her neighborhood high school and attends this school, or a student who attends a high school magnet program and resides more than 2.5 miles from the location of the magnet program, is eligible for the DPS-RTD pass.

Students who attend a school other than their neighborhood school through the SchoolChoice process are not eligible for the DPS RTD student pass.

Lunch Forms

Students will need to complete lunch forms as lunch is no longer free for all. Please fill out the form at the link below.

EAST PANTRY

On November 19 there will be a

Student Spotlight

Thanksgiving meal pickup at the pantry. Families wanting a Thanksgiving box will be asked to sign up in advance. Questions? Email Megan at eastangelpacks@gmail.com

Kudos to Conrad Branch for writing a magnificent murder mystery! If you haven't seen it go see Red Ink!

College Application Information

As deadlines are quickly approaching, please make sure your student is referring to the **Senior Resource Document** for required steps for the college application process and the process for requesting school documents. Please note that all transcript requests and letter of rec requests must be completed at least 2 weeks prior to your students deadline. **Here** is the slideshow from last week's College Night in case you missed it!

College Fair

We wanted to inform you of a great opportunity to be able to connect with both in and out-of-state colleges here at East on November 9 from 6-7PM. We will be hosting the CCHS/CR College Fair and anticipate having 50+ college reps here to talk to you and your guardians about their school, the application process and helpful tips for your post-secondary planning. **Here** is a tentative list of Colleges that will be attending and more may be added.

In order to be prepared for the college fair, please register for it using the link below. Registration only takes 3-5 minutes and allows you to share your information with college reps in an expedited way.

Vaccinations key to keeping children healthy

As fall approaches, students and their families are gearing up for a school year filled with uncertainty. No matter what this school year brings, we want it to be a healthy one, free of vaccine-preventable disease. Vaccinations are safe and effective at preventing disease in an individual. But it's up to all of us to make sure our East High community is protected. Staying up-to-date on routine vaccinations, including the annual flu vaccine, is more important than ever. Make sure your student is up-to-date on all of their vaccinations. Check with your health care provider or visit [COVaxRecords.org](https://www.covaxrecords.org) to request vaccination records.

Career Center Update

It is apprenticeship recruiting season!! DPS apprenticeships last 2-3 years and allow students to keep LEARNING at school part-time, while they start EARNING at work part-time making \$16-\$18/hr. All DPS apprentices graduate on time and will get \$4,000 of tuition/credential assistance from their employer. This is not an alternative to college or high school, but a rich, industry-focused, and paid addition to a student's education experience. This **list of current job openings** includes open jobs with the Denver Metro Chamber of Commerce, the City of Denver, Janus Henderson, and Intertech Plastics. Parents can check out the **Apprenticeship FAQs** and students can **view application instructions here**. Students and parents are welcome to contact East's career navigator, Ellie Jacques, for more information at eleanor_jacques@dpsk12.net.

Advisement at Home

This week in advisement, students learned how they advocate for themselves in school. Students discussed skills to know when to ask for help, how to ask for help from their teachers, and about other supports in the community. Seniors also learned how to navigate resources in their communities, college, or trade schools, so that they are able to find help if needed after graduation. We believe this information is important for students who may not know how to ask for help so they are able to be successful in these conversations.

Continuing the Conversation at Home

Ask your student how they know when they need to ask for help.

Ask your student how they usually ask for help from their teachers. Is this method usually successful for them?

Ask your student to list some of the resources available to them in the community. Do they know how to reach out to these resources if needed?

Ask your senior what resources in trade school or college are available to them. Do they know how to navigate these resources?

REMINDER: THERE IS A CLINIC STAFF MEMBER ON CALL FOR CRISIS SUPPORT DAILY IN ROOM 139.
