Advisement at Home

This week in advisement, all students learned about Native American Heritage Month and events going on in the community to support this. All students also completed their ICAP plan for Quarters 1 and 2. Students in each grade level then completed a different ICAP lesson.

Continuing the Conversation at Home

Ask your 9th grader what skills they learned to help them build their resume. Can they show you?

Ask your 10th grader what interest profile result they received. Do they think this aligns with the career they are thinking of pursuing?

Ask your 11th grader what they learned to make their common college application stand out. How are they feeling about applying to college and/or pursuing their goals

after graduation?

Ask your Senior about their plans after graduation. How are they feeling about graduating?

Ask your student about what activities are going on at East to celebrate Native American Heritage month.

Coffee Cart

East families, as we look ahead to the holidays, the PTSA is planning on showing the staff our appreciation by giving the gift of coffee. If you would like to help by donating to the coffee cart fund please, send cash or a check (made out to East PTSA) with your student to drop off in the main office, c/o Ariel or Venmo @blythe-kingsbury. Thank you for your support!
