East Pantry

The East Pantry will be open on **December 10 from 9-10:30**. Free food is available for families of East High! The pantry is located in the Commons so please enter the building from Detroit Street if you would like to come on the 10th.

Advisement at Home

This week in advisement, all students continued working on their ICAP for Quarters 1

and 2. We believe this is important because it is a graduation requirement and allows students to track their class completion progress.

Continuing the Conversation at Home

Ask your student how they are feeling about returning to school after break. Is there anything you can do to support them?

Ask your student if they know where to go at school if they are struggling with returning from break. Do they have a trusted adult at East?

Ask your student how they feel about their progress after completing the ICAP. Can they show you?

Coffee Cart

East families, as we look ahead to the holidays, the PTSA is planning on showing the staff our appreciation by giving the gift of coffee. If you would like to help by donating to the coffee cart fund please, send cash or a check (made out to East PTSA) with your student to drop off in the main office, c/o Ariel or Venmo @blythe-kingsbury. Thank you for your support!

Activities

Lost and Found: Is your student missing a coat, hoodie, water bottle or their glasses? Please have them stop by room 100. The lost and found box and shelving is overflowing. If these items have not been picked up by the end of finals they will be donated.

NHS Make a Difference Day: This Saturday The National Honor Society is hosting a school beautification project from 9-noon. All those interested in participating are welcome. Our main areas of focus will be cleaning up around the outside of the building.

Snowball Dance: This is a very small throwback dance that is held in the foyer from 7-9pm. All proceeds are donated to East families to help provide a holiday meal and a few gifts for children. Tickets are limited to 200, are \$10 and go on sale on Monday.

Winter/warm clothing drive: Ski & snowboard club is collecting warm winter clothing such as gently used coats, sweaters and shoes. New warm hats and gloves are also appreciated. The drive runs through December 9th and items can be dropped off in English classroom or room 100.

Lunch Forms

Students will need to complete lunch forms as lunch is no longer free for all. Please fill out the form at the link below.

News from the Nursing Office

Currently, the Colorado pediatric hospitalization rate associated with Respiratory Syncytial Virus (RSV) far exceeds influenza and COVID-19 hospitalizations though influenza and COVID-19 levels are increasing as well.

DPS will be adopting some extra measures suggested by the Colorado Department of Health

and Environment,

1. It is recommended that any student with a positive RSV symptoms remain home for 72 hours from the initial onset of their symptoms. Symptoms:
<https://www.cdc.gov/rsv/about/symptoms.html>
 2. Strongly encourage your children to mask at school, even if experiencing even mild respiratory symptoms.
 3. We will continue to use the **How Sick is Too Sick - Spanish**, encourage regular hand washing, sneeze/cough etiquette and increase our frequency of cleaning and disinfecting of high touch surfaces.
- CDC encourages annual flu vaccination as well as all recommended doses of COVID-19 vaccines. It is safe to get the vaccines together. There is currently no vaccine for RSV.
