

# East CSC 2022 - 2023

# Agenda: Informational Meeting

The background of the slide features a faded, light-colored image of a large, multi-story school building. The building has a prominent central clock tower with a white face and a small dome on top. The building's facade is primarily red brick with white architectural accents around the windows and doorways. The sky above the building is a clear, light blue.

# The CSC Does

Every school is required by state statute to have a **School Accountability Committee (SAC)**, which are known as **CSCs** in Denver. The **CSC** is responsible for:

- **Providing guidance, evaluation, and recommendations** to the Principal about:
  - Budget priorities
  - Guidance related to the priority strategies and actions to be taken at the school site
  - Discussing data representing the progress of student performance at the school
  - Providing input for principal evaluations as it relates to the CSC
  - Increasing family engagement, especially ensuring that parents represent the diversity of the student body (including race, free/reduced lunch, limited English proficiency, and disability--as described by [Colorado law](#) (.pdf)).

# The CSC Does Not

## The CSC does NOT:

- Participate in the day-to-day operations of the school;
- Involve itself in issues relating to individuals (staff, students, or parents) within the school
- Involve itself in personnel issues (the School Personnel Committee will stand alone according to the current DPS/DCTA contract)
- Advocate for their own perspective, rather they advocate for the greater good of the school

# East High School Priority Values

## Integrity

- Trust: **We do what we say we will do**
- Respect: **We treat each other right and listen to understand**

## Collaboration

- We are better together than we are on our own**

## Equity

- Every Person gets what they need when they need it**

# **Denver East High School**

## **Statement of Common Purpose**

---

**At Denver East,
